

SPECIALTY MUSICAL THEATRE WORKSHOP - 4 WEEKS ONLY

GIRL POWER WORKSHOP

Who runs the world? **GIRLS!!!**

This workshop is a unique experience like no other! Valerie Stanois, star of "We Will Rock You" and Broadway's "Rock of Ages", guides her students through the fundamentals of singing, dancing and stage performance.

With over 20 years of performance and teaching experience, Valerie's techniques assist her students in building confidence, stage presence and teamwork.

Working on material from the Girl Groups that made their mark in Pop culture, students will learn fun choreography, sing in harmony and embrace their inner "Diva" with style and grace.

Followed by a performance at the end of the four weeks.
